Follow and connect with members

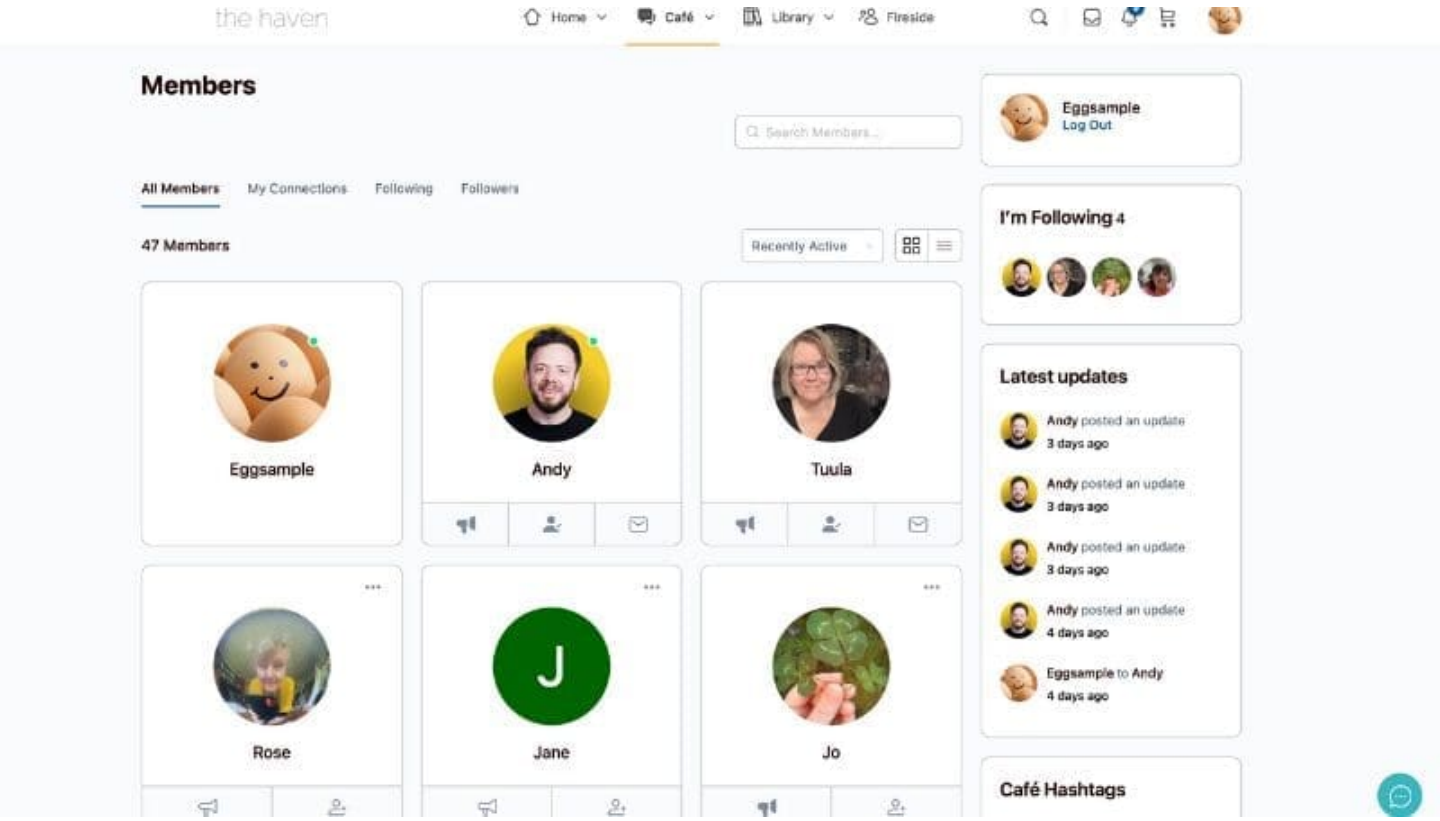

The Courtyard · https://the-haven.co/docs/follow-and-connect/

The activity feed is populated by posts and updates from members you are following.

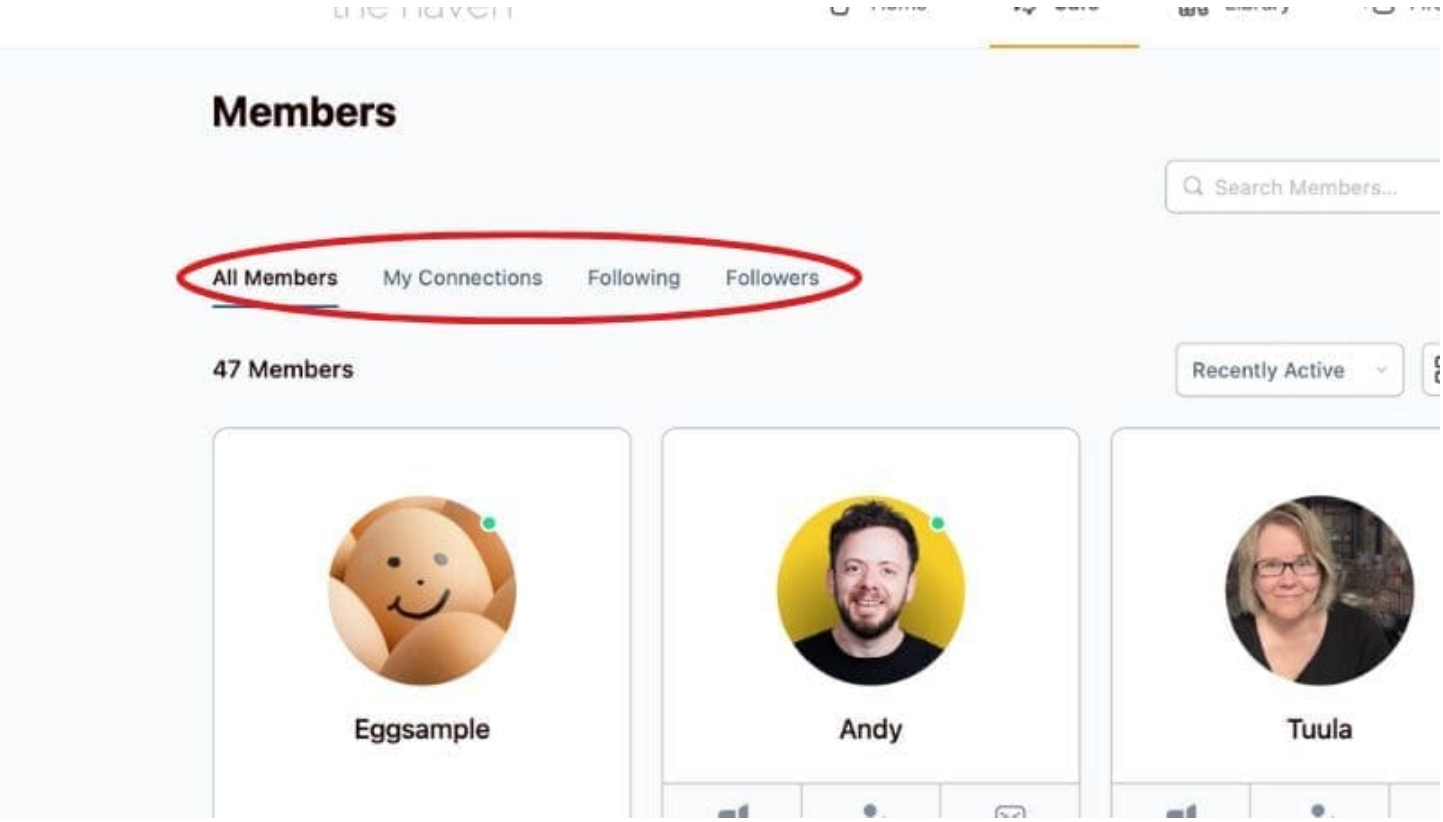

You can find members to follow in the member directory.

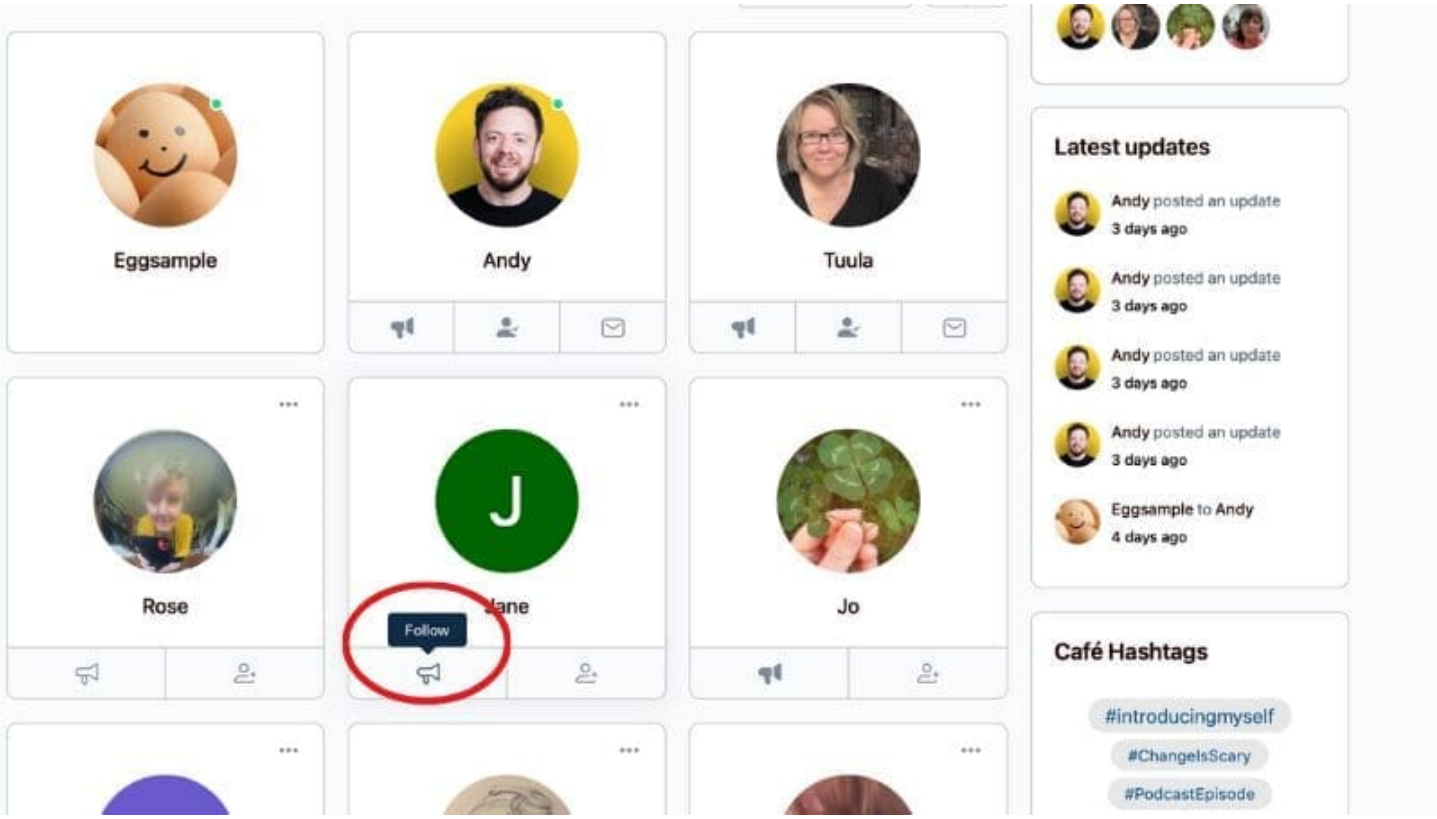

You can see who you're connected to, as well as who you are following, and who is following you.

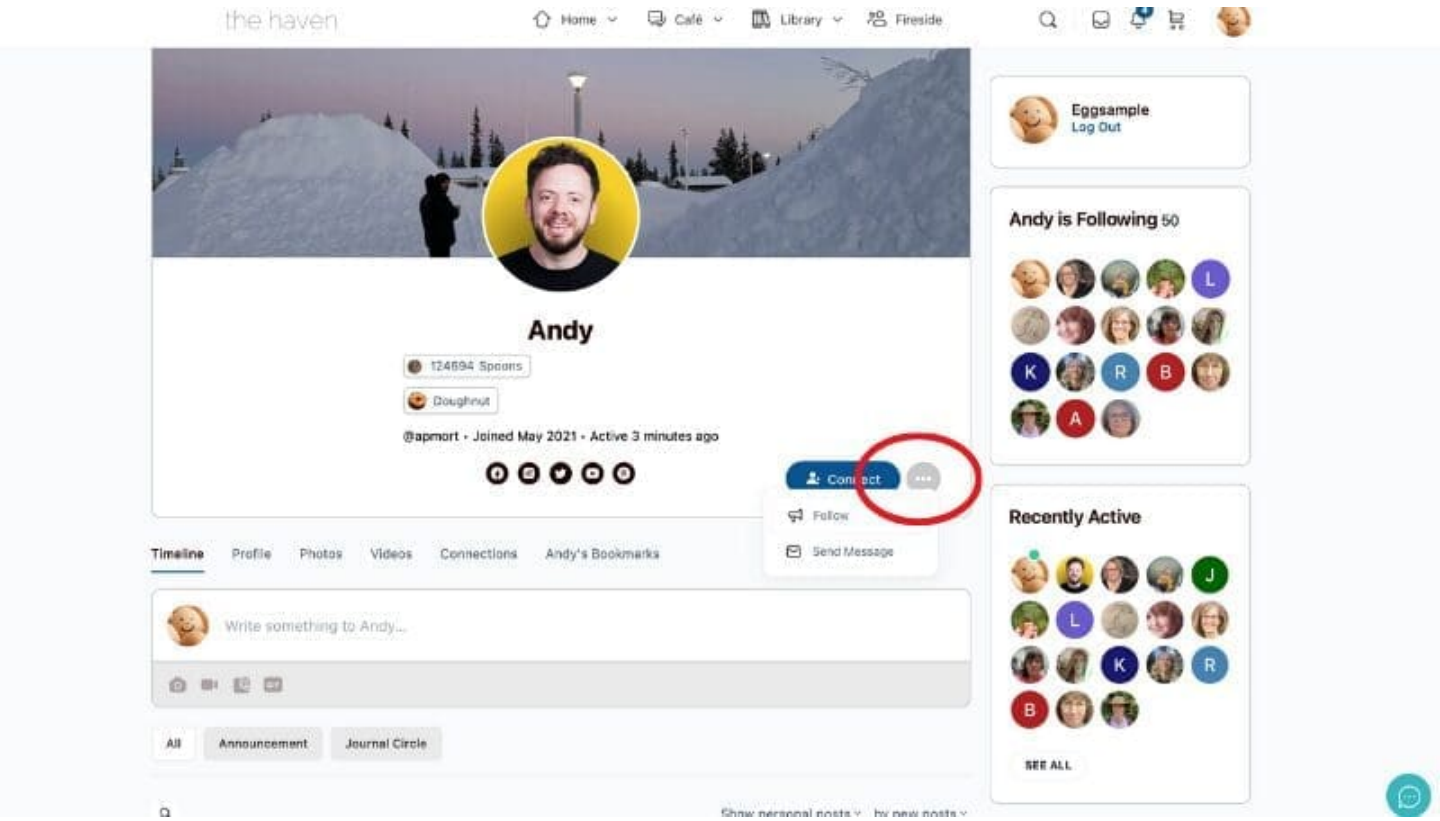

You can change the view using the tabs at the top.

Follow someone from the member directory by clicking on the megaphone beneath the member's name. You can follow anyone you want.

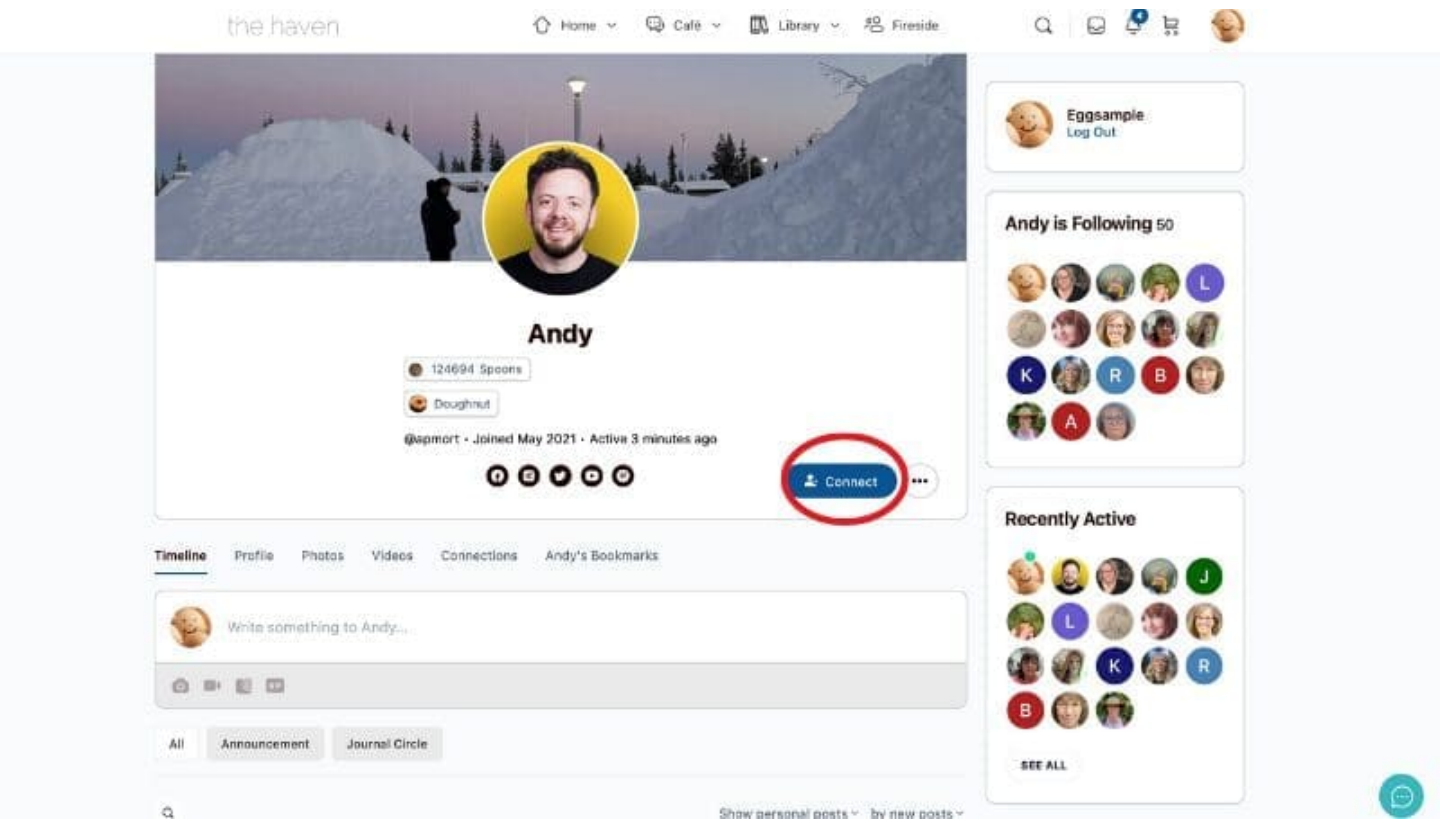

You can also follow members through their profile page by clicking the three dots next to the "Connect" button.

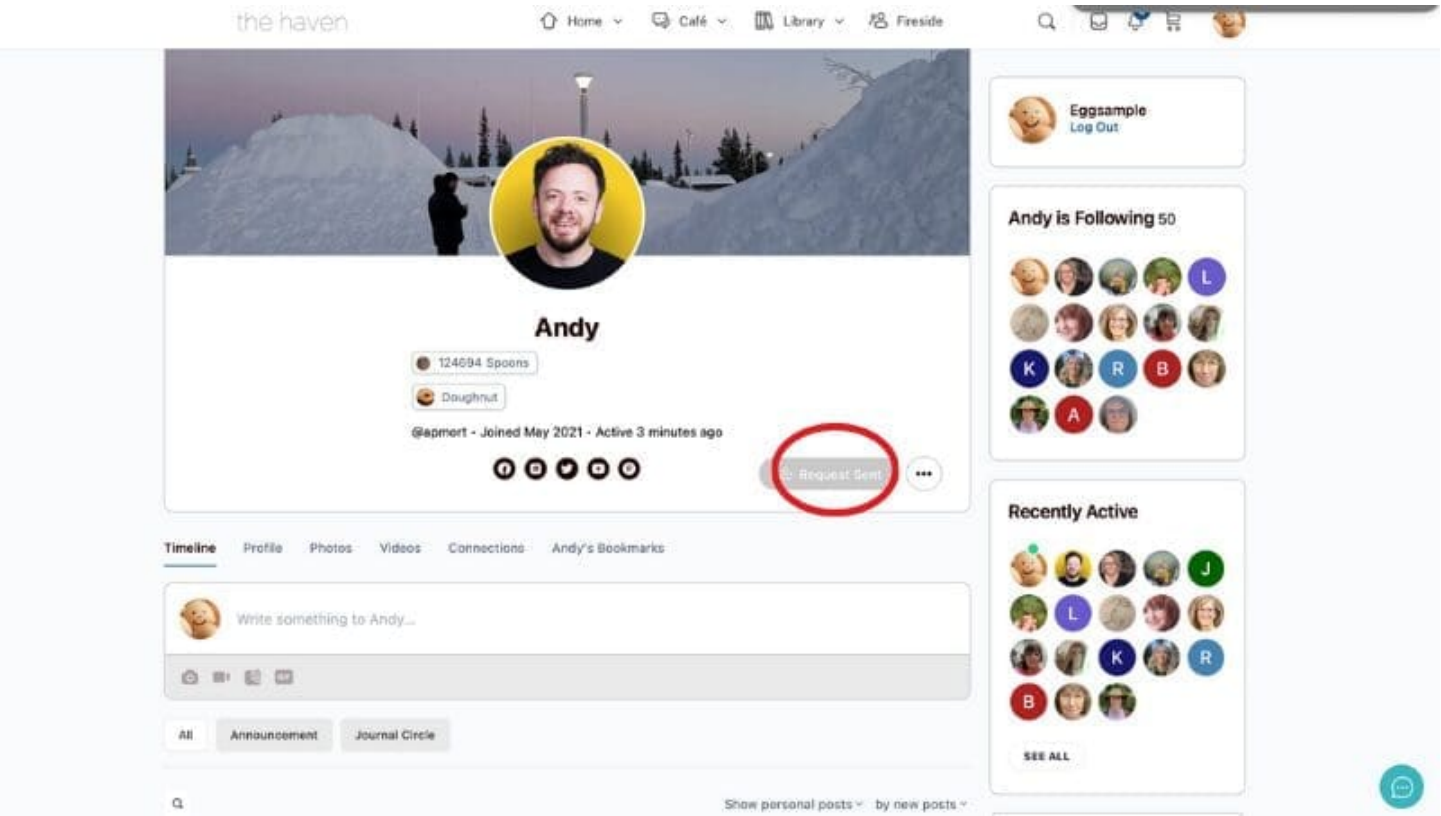

Connecting

You will notice there is also an option to Connect with other members. This means you will both follow each other and you will be able to send direct messages back and forth.

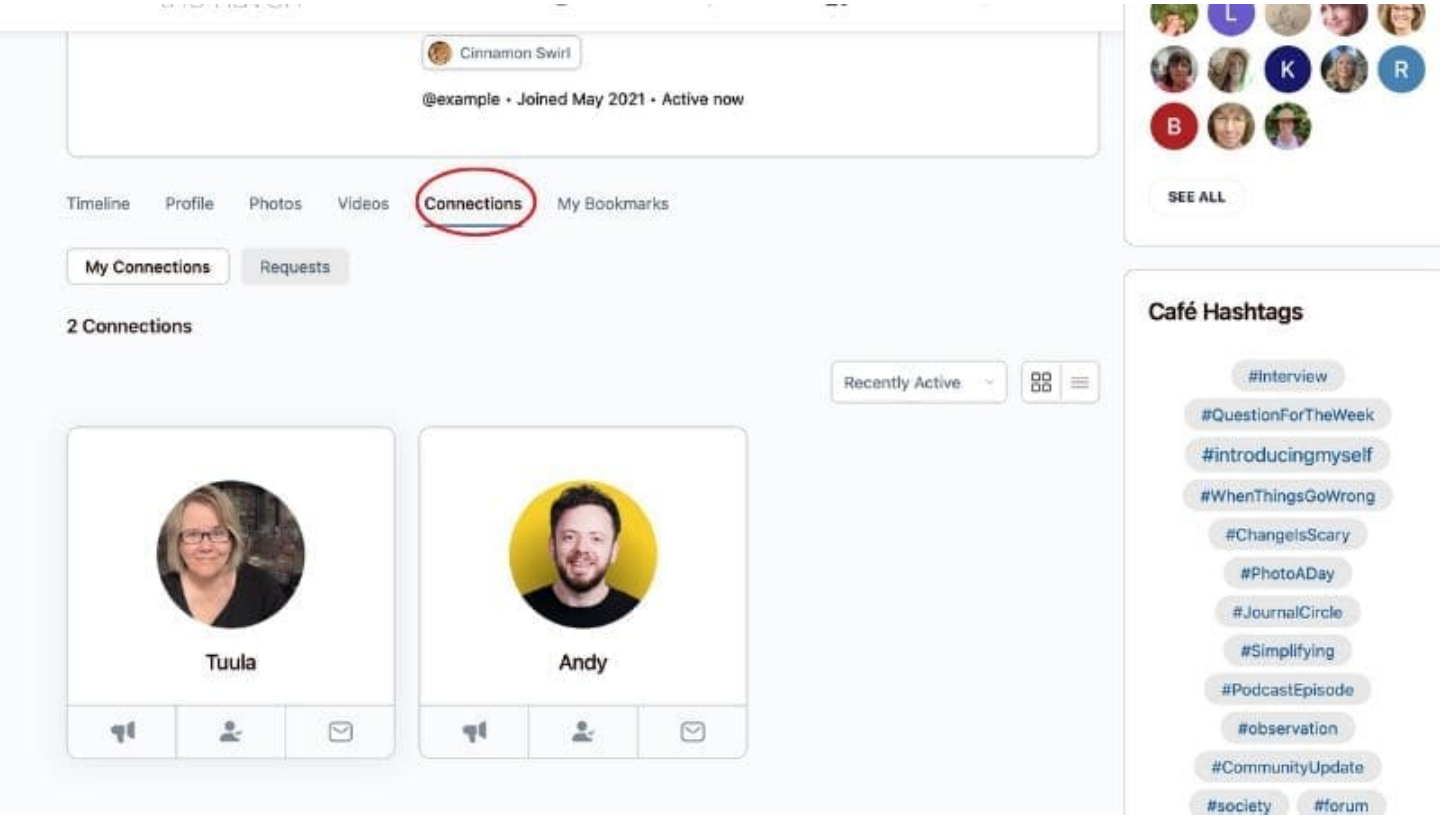

You can send a connection request by tapping the "Connect" button.

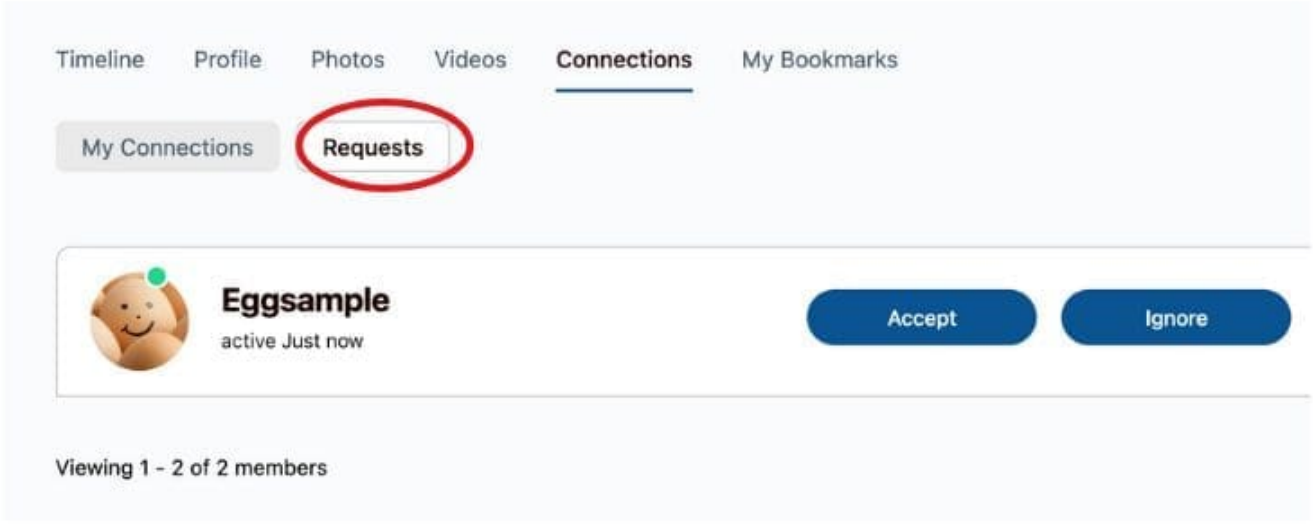

The other person needs to accept the request.

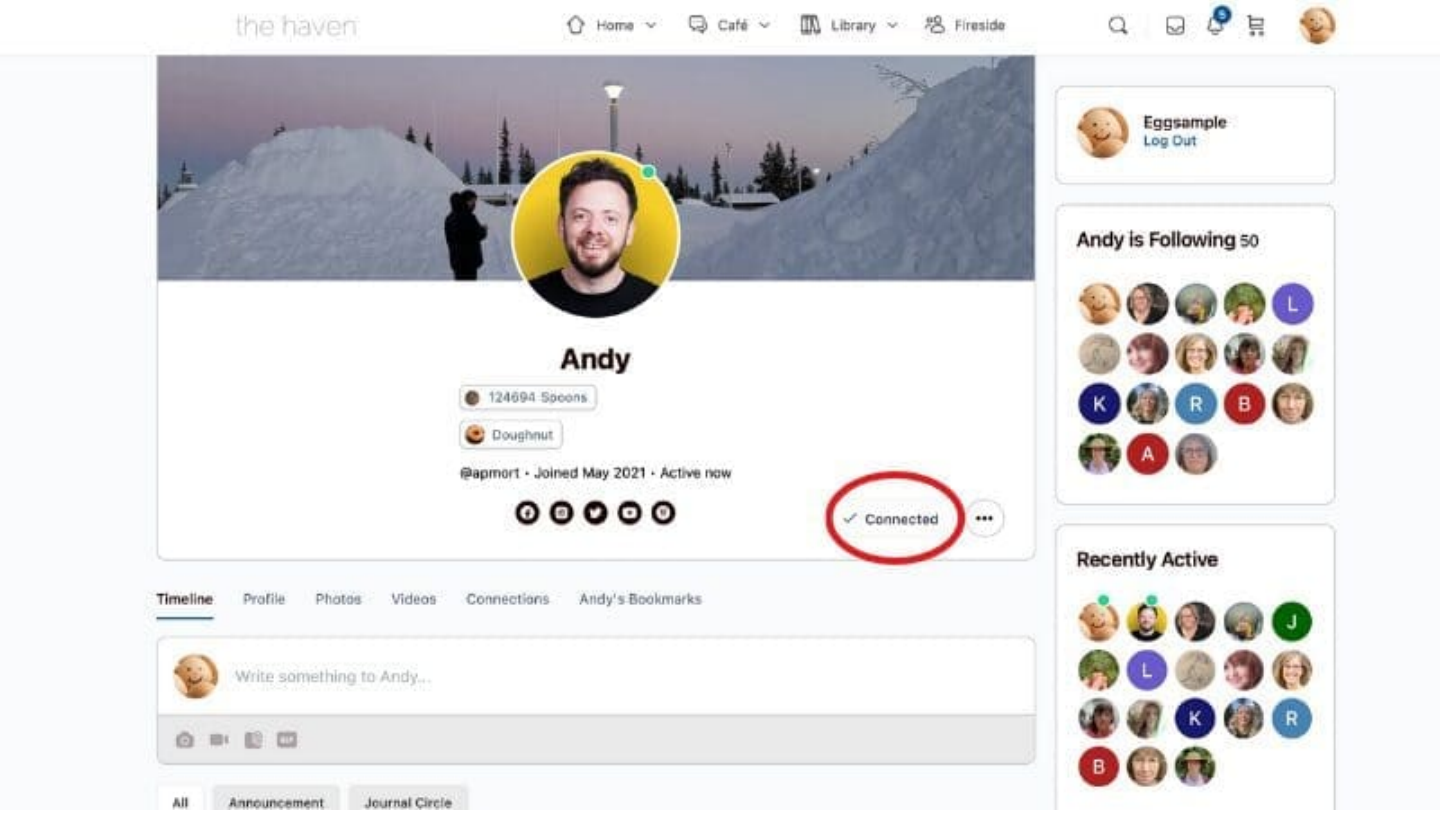

You can see any pending requests you've been sent under the Connections tab on your personal profile.

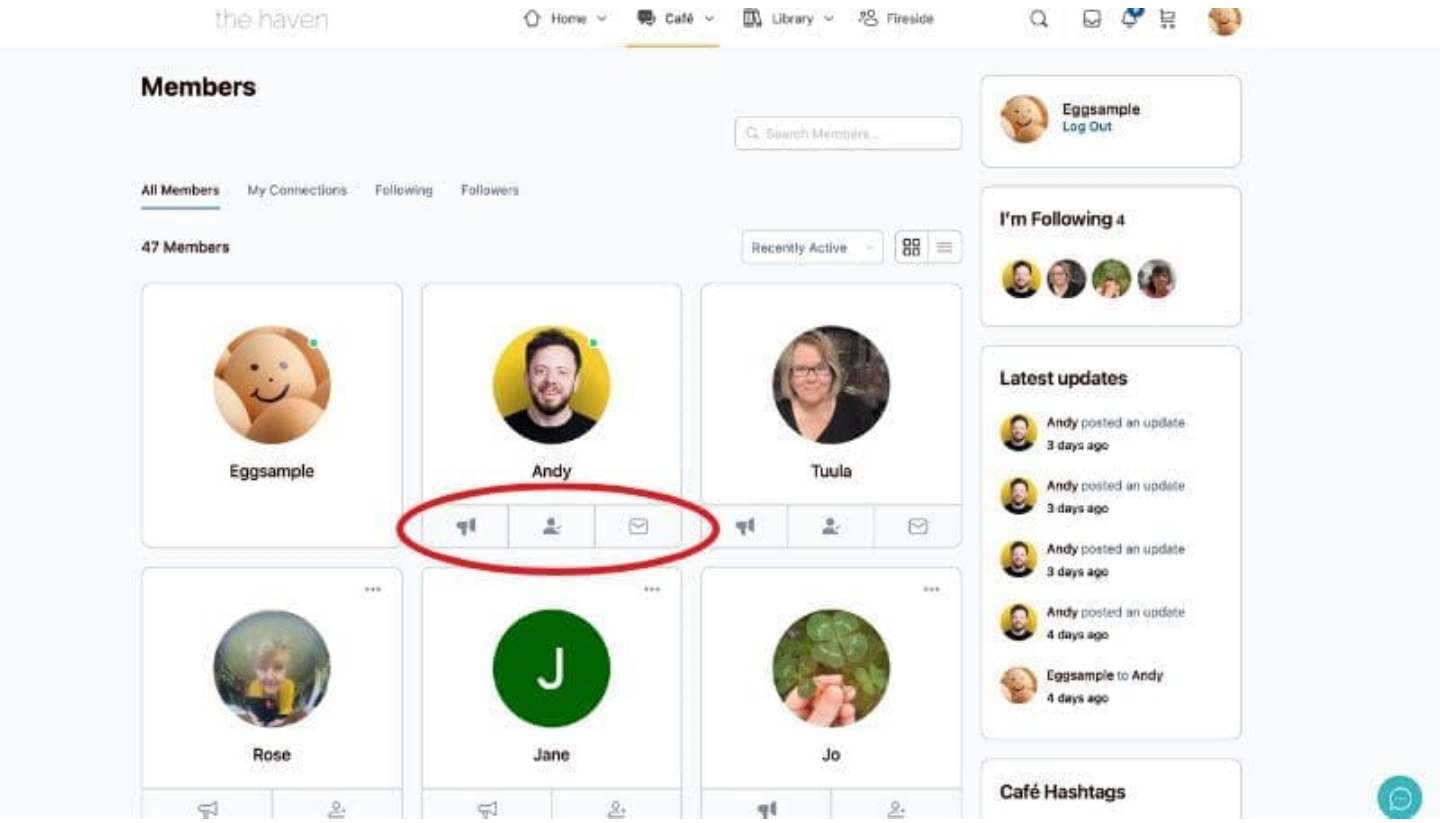

Once you are connected, you will see it displayed on the member's profile.

And you will have the added option to send messages.

You can also send connection requests through the member directory.
