One-to-one coaching

The Fireside · https://the-haven.co/docs/get-coaching/

In addition to the resources, live happenings, and community, I provide one-to-one support through coaching. There are two main ways I currently do this:

1. Pick The Lock Calls

A ***Pick The Lock*** session is perfect if you're facing a challenge, want to progress on a goal, or are looking for clarity about what you want to do next. It's a one-off choose your own price session. Learn more here.

2. Fireside Spiral Blocks

Fireside Spirals combine in-person, reflective, and asynchronous coaching. They effectively open multiple levels of processing, which allows you to bring greater insight and understanding to your "project". Learn more here.
