New zine watch parties

The Courtyard · https://the-haven.co/docs/new-zine-watch-parties/

We gather in the Kota to experience new issues of Coming To Our Senses together.

These sessions are about 45 minutes long. We mute our microphones while the audio/video version of the new zine plays (30-40 minutes), through a screen share. There are usually 10 minutes or so after the video ends for us to share any reflections and check-in with each other.

These sessions offer a rare opportunity to give our full attention to the video. Many members say the experience feels deeper, richer, and more resonant when shared in community.
