Update your profile images

Manage Your Profile · https://the-haven.co/docs/update-your-profile-image/

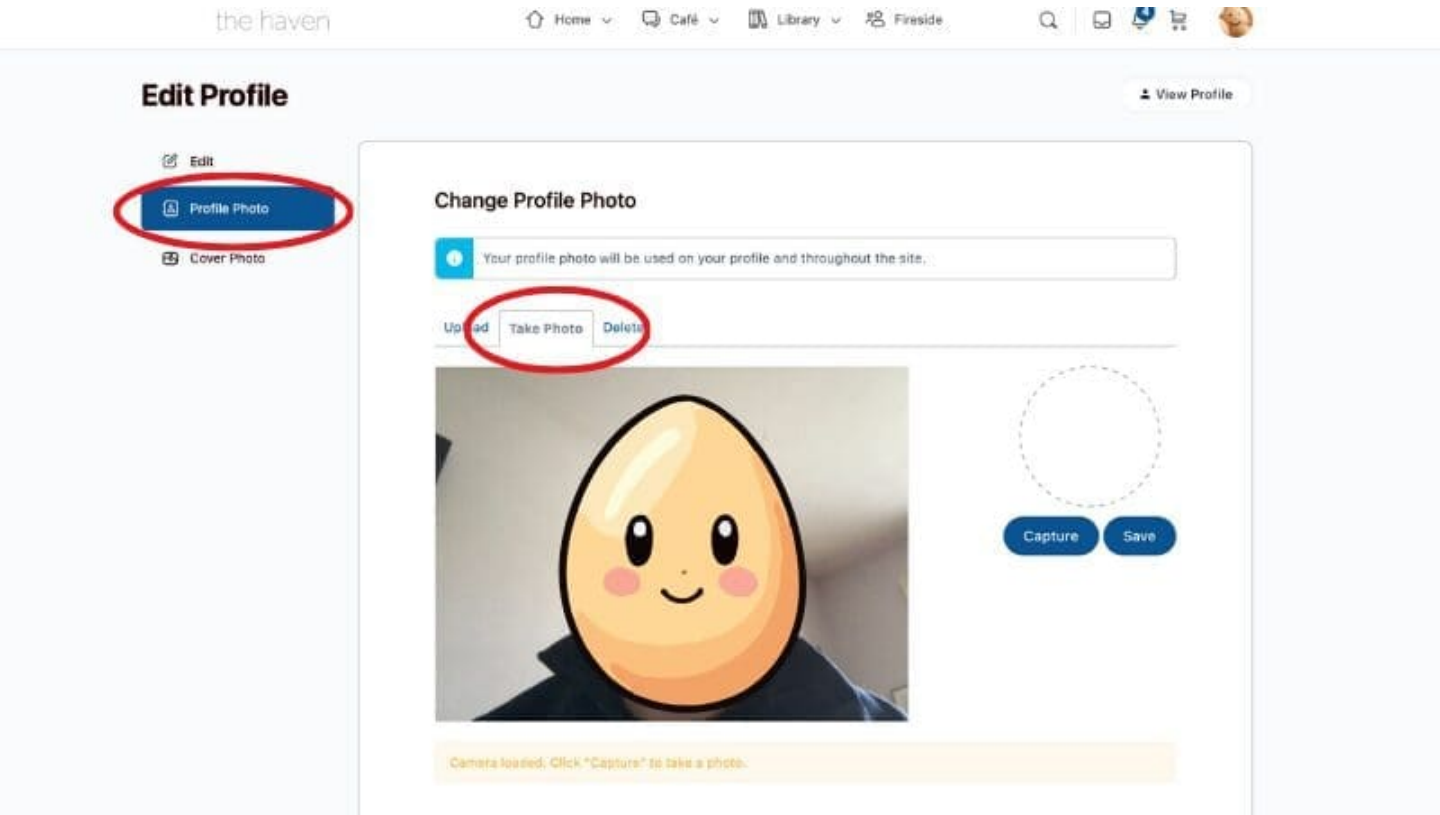

You can add an image to your profile to give it a personal touch. You'll find the "Change Profile Photo" link by hovering on the profile photo or through this link.

You can upload an image from your device.

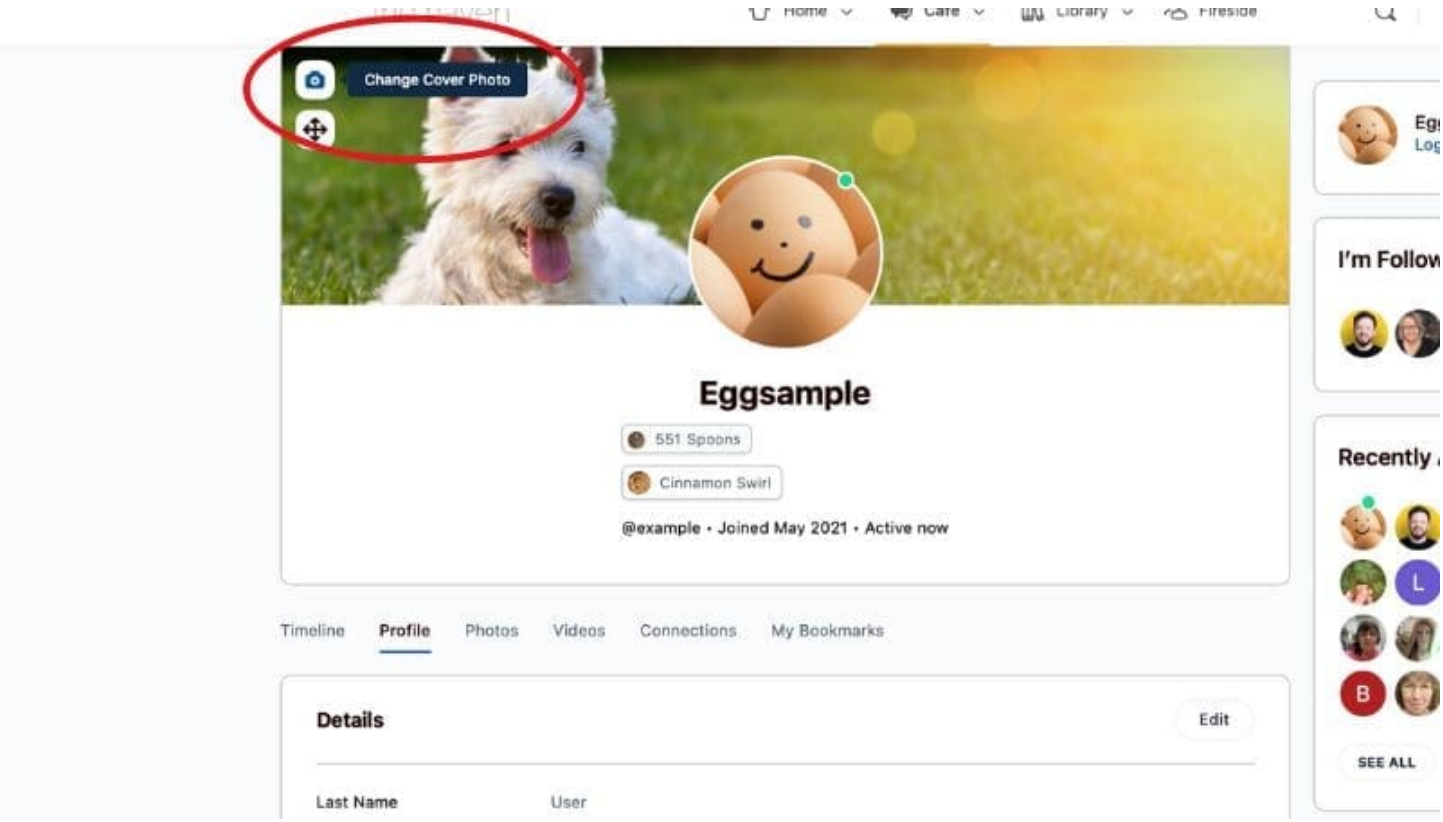

Or take a photo within the site using the camera on your device.

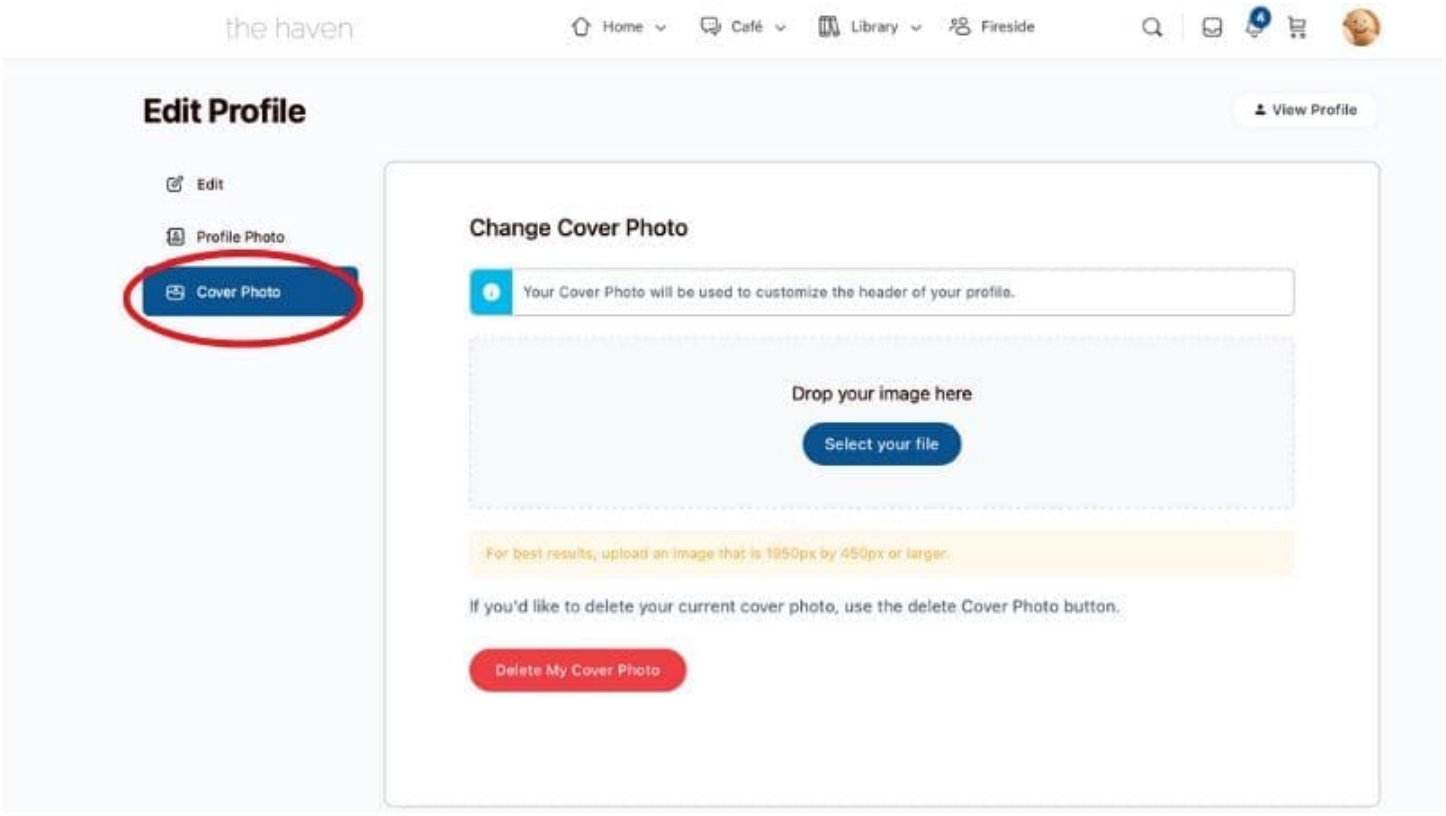

Cover Images

You can also add a cover photo to customise your header background. Hover over the current image and you will find a link to add and reposition the image in the top left corner.

For the best results, upload an image that is 1950px by 450px or larger.
